

PMB – Physical Gift Card Order for the Holidays

If you have been waiting to purchase physical gift cards because of the added cost for shipping, now is the time to buy!

PMB will pay shipping costs for this one-time order of physical gift cards and they will arrive in time for the Holidays. Remember, ½ of the rebate amount goes to your student accounts while the other ½ goes to PMB's account. A great way to earn money for both your student and PMB while purchasing gift cards, a great Holiday gift!

2 Ways to Purchase

OPTION #1

Go on your RaiseRight account and place the order online choosing physical gift cards to be sent. With this option, you can place your order during the Bonus Days that always occur in November and early December and you will have the chance of getting much higher rebates which means more money for your student's account and more money for PMB's account. You can pay for the cards online like you always do or in person by December 5, 2022.

OPTION #2

Print out the attached order form, complete it, and get it back to me either by email, text, or in person on Wednesday, November 30, 2022.

DEADLINE OF DECEMBER 5, 2022: All orders must be placed either online or through the physical order form by this date in order for them to arrive for distribution on December 12, 2022. I will be at the High School commons on December 5, 2022, from 4:00 to 6:00 p.m. for drop off of order forms and payments. Only those gift cards where payment has been made by December 5, 2022, will be ordered. Again, payment can be made by check to PMB, cash, or online through your own RaiseRight Account.

DISTRIBUTION ON DECEMBER 12, 2022: I will distribute the physical gift cards on December 12, 2022, the date of our December PMB Meeting, beginning one hour before, 6:00 p.m.
