

The Friends and Family Tour for the Pulaski Red Raider Marching Band and Choir 135th Tournament of Roses Parade is now available!

This trip is open to anyone who would like to see our band and choir perform in California! Click on the following link to register: <https://tri.ps/H7bQE>. If you have any questions or issues registering you can email tours@go2harmony.com. This email address goes directly to Nick Galante and his team at Harmony Tours so that they can respond to traveler issues as quickly as possible. Just like the student tour, all payments will be handled by Harmony. Please select the room occupancy you'll need for you and/or your family (single, double, triple, quad) for each person traveling. The deposit due date is **January 18, 2023**.

Following is a link to the tentative itinerary:

<https://travefy.com/trip/6yw9rqu3wfmwqz2atyvagu2gbw7dguq>. Please note that the Friends and Family tour leaves a day later than the student tour (12/28/23-1/2/23). Also note that the trip itinerary is not an identical match to the student tour. You will get to see all of the band and choir performances during the trip as well as enjoy many of the same venues as your student(s). This is an incredible opportunity to cheer on your music student(s) and celebrate this amazing accomplishment and adventure with them. Please understand that where/when the tours differ, the students must stick to their own trip itinerary.

Erica Huettl is serving as the parent lead for the Friends and Family tour. Other questions regarding the tour can be directed to her at ericawierth@hotmail.com. When you register for the tour, please email Erica and provide a main contact name, email, and cell phone number for yourself or your group. Erica will be in communication with those joining the tour as more updates become available.

Thank you and hope you'll join us in sunny California!
