Microsoft Rewards:

Intro:

There are two Microsoft programs where you can donate points to Pulaski Music Boosters, just by doing everyday things, like searching the web and playing Xbox. These are "Give with Bing" and "Microsoft Rewards". The first step is to log into your Microsoft account and verify you are set up for the rewards program. You can find more information here: <https://www.microsoft.com/en-us/rewards/about>.

Give with Bing:

With "Give with Bing" you earn points by searching the web with Bing, doing the daily sets, and other activities. You can get bonus points by keeping a streak of daily sets going, searching with the Edge browser, using Bing on your phone etc. (In addition to donating the points, they can be spent on gift cards or other items.) Your points will be gifted on the 1st of each month. You can view your Bing Rewards dashboard here: <https://rewards.bing.com/>.

To get started, click the "Give with Bing" tab at the top.

The screenshot shows the Microsoft Rewards dashboard. At the top, the navigation bar includes "Microsoft | Rewards Give with Bing Copilot Microsoft Cashback". About

We provide assistance in the form of man hours as well as money to the music programs at the Pulaski Community High School

Microsoft partners with Benevity to facilitate its donations. Your points redemption activity will be deducted from your account immediately. Within six weeks after the end of the month in which you redeem your points, Microsoft will make a cash donation based on your redemption to a donor-advised fund at the Benevity UK Online Giving Foundation (OGF), with a recommendation that they make a corresponding grant to your selected nonprofit organization. OGF will take exclusive legal control of Microsoft's donation on your behalf. Donation redemptions are non-refundable. If your chosen nonprofit is not able to receive the donation (for example, if it no longer meets the participation criteria), or if the donation is otherwise undeliverable, the cash donation will be redirected to a nonprofit of Microsoft's choosing. Non-profits are not endorsed by Microsoft.

Depending on your selection, you will get a pop-up window to confirm your selection, click "Confirm".

For the monthly auto-donation, you will get a celebratory confirmation window. Click "Start earning".

You will be brought back to your “Rewards Dashboard”, where you will now see your Pending Donation.

The screenshot displays the Microsoft Rewards dashboard. At the top, it shows the Microsoft Rewards logo and a user's account information.
